Venue

Board Room, 31st Floor, Center 1, World Trade Centre

Cuffe Parade, Mumbai - 400 005

Suriname is part of Latin America. It promises a favourable geographic location with a pro-active government that provides fiscal backing, tax exemptions and encourages FDI. It has the ability to deliver high economic growth with mining as its focus sector. The country provides huge investment opportunities with bauxite, gold and oil as its major exports India's exports to Suriname stood at USD 10.5 million in FY 2017 whereas imports from Suriname stood at USD 45.9 million during the year
