## **SERVICE SECTOR: IMPACT ON INTERNATIONAL TRADE**

**Wednesday, 27<sup>th</sup> February 2019 | 1430 hrs ~ 1730 hrs**

**Venue:** Auditorium, #812 Tower 2, Level 8,  
World Trade Center Pune, Kharadi, Near EON Free Zone, Pune - 411 014

The Services Sector plays an increasingly important role in the global economy and the growth and development of countries.

The Service Sector accounting 70% of the world's output, 60% of employment and 46% of exports.

Trade in services can help create opportunity for countries to expand their outputs of services in sectors where they have a comparative advantages and provide a range of traditional and new export opportunities.
