# Project proposal

## Proposition 1. Basic data

The essence of the project

Production of antiprotozoal and antimicrobial drugs

Location

At the request of the investor

Annual market volume

85,9%

Import share

\$ 11 mln

## Economic indicators

Project cost

\$ 4 mln

Equipment \$ 3,1 mln

Building \$ 0,6 mln

Other \$ 0,3 mln

Paying off

5-7 years

Productive capacity

20 million units

\$ 4,4 mln

\$ 3,9 mln

Import substitution

\$ 0,5 mln

Export

## Preferences

50 people

The number of employees

Exemption from payment of customs duties when importing equipment and raw materials

Participants of the Pharmaceutical FEZs are exempt from paying taxes depending on the amount of investment

Free receipt of a land plot in the Pharmaceutical FEZ

## Proposition 2. Basic data

**The essence of the project**

**Manufacture of antifungal medicines**

**Location**

**At the request of the investor**

**Annual market volume**

**79,9%**  
Import share

**\$ 13** mln

## Economic indicators

**Project cost**

**\$ 3** mln

	Equipment	<b>\$ 2,5</b> mln
	Building	<b>\$ 0,3</b> mln
	Other	<b>\$ 0,2</b> mln

**Paying off**

**4-5** years

**Productive capacity**

**5** mln.y.e.

---

**\$ 10** mln

**\$ 9** mln

**Import substitution**

**\$ 1** mln

**Export**

## Preferences

**70** people

**The number of employees**

Exemption from payment of customs duties when importing equipment and raw materials

Participants of the Pharmaceutical FEZs are exempt from paying taxes depending on the amount of investment

Free receipt of a land plot in the Pharmaceutical FEZ

## Proposition 3. Basic data

**The essence of the project**

**Production of medicines for nephrology and urology**

**Location**

**At the request of the investor**

**Annual market volume**

**87,8%**  
Import share

**\$ 16** mln

## Economic indicators

**Project cost**

**\$ 15** mln

	Equipment	<b>\$ 11</b> mln
	Building	<b>\$ 3,3</b> mln
	Other	<b>\$ 0,7</b> mln

**Paying off**

**5-6** years

**Productive capacity**

**6** mln.yn.

---

**\$ 21** mln

**\$ 22,5** mln

**Import substitution**

**\$ 1,5** mln

**Export**

## Preferences

**80** people

**The number of employees**

Exemption from payment of customs duties when importing equipment and raw materials

Participants of the Pharmaceutical FEZs are exempt from paying taxes depending on the amount of investment

Free receipt of a land plot in the Pharmaceutical FEZ

## Proposition 4. Basic data

 <p>The essence of the project</p>	 <p>Manufacture of analgesics and anti-inflammatory drugs</p>		
 <p>Location</p>	 <p>At the request of the investor</p>	 <p>Annual market volume</p>	 <p>87% Import share</p> <p><b>\$ 119</b> mln</p>

--	--	---	--

## Proposition 11. Basic data

**The essence of the project**

**Manufacturing of medicines (hepatology and gastroenterology)**

**Location**

**At the request of the investor**

**Annual market volume**

**88%**  
Import share

**\$ 100 mln**

## Economic indicators

**Project cost**

**\$ 40 mln**

	Equipment	<b>\$ 35 mln</b>
	Building	<b>\$ 4 mln</b>
	Other	<b>\$ 1 mln</b>

**Paying off**

**5-6 years**

**Productive capacity**

**7**  
mln.y.e.

**\$ 55**  
mln

**\$ 56**  
mln

**Import substitution**

**\$ 15**  
mln

**Export**

## Preferences

**200**  
people

**The number of employees**

Exemption from payment of customs duties when importing equipment and raw materials

Participants of the Pharmaceutical FEZs are exempt from paying taxes depending on the amount of investment

Free receipt of a land plot in the Pharmaceutical FEZ
