Rich Heritage of Handloom

- Handloom is an age old and **timeless art**.
- The handloom fabric represents **diverse cultural** and **historical lineage** and a reflection of **customs, mythology** and **artist's emotions**.
- Each piece is **unique** and **unparallel** in itself with simple plain fabrics, tribal motifs, geometric designs, colourful dyes to an exhaustive art.

Objectives

- Promote khadi and handloom products to the audience across the world by redefining tradition and style
- Digitization of MSMEs for enabling them to enter into the export market
- Connect buyers directly with Artisans, Weavers, Designers, Government Organisations, Merchant Exporters and NGOs
- Create awareness about weaves and other ancient arts & their techniques
- Global matchmaking opportunities
- Support "Vocal for Local" for transforming "Gram (Local) to Global"
